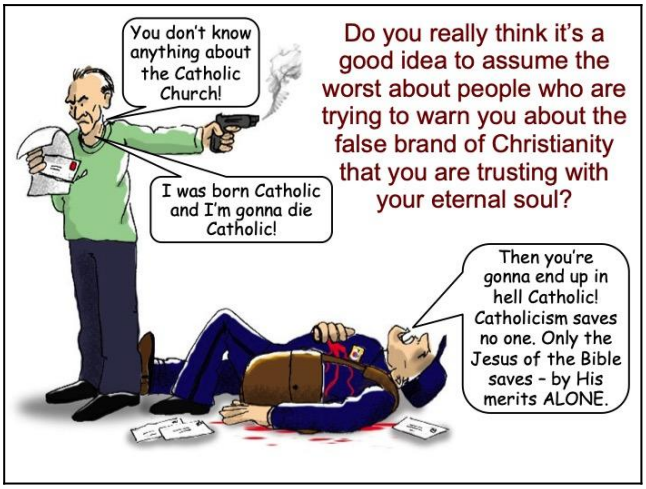
A Friendly Warning To Catholics Who Feel Like They Need To Shoot God's Messengers



Dear Catholics, shooting God's messengers is not a very good use of your time. You are simply defending the religion that is leading you and your loved ones to hell. A much better use of what time you have left on earth, would be to read the Bible for yourself asking God to show you the truth about salvation and about how – even on our best days – we are ALL hell-deserving sinners.
No amount of Catholic sacraments is going to remove a single sin…
no matter how many times you chant "we are the one true Church".
no matter how many Eucharists you eat.
no matter how faithfully you attend mass.
no matter how many Hail Marys you recite and no matter how many decades of the Rosary you recite.
no matter how much holy water you pour on yourself.
no matter how many times you confess your sins to a Catholic priest or how much penance you perform.
no matter how many holy days of obligation you observe by going to mass or by fasting.
no matter how many pilgrimages you make to Lourdes.
no matter how many Fridays you abstain from eating meat.
no matter how many times you kiss the pope's ring.
no matter how long you've been a member of your local rosary society.
no matter how many works of charity you do.
no matter how much money you give to the poor.
no matter how much you defend your false religion.
no matter how many stations of the cross you perform.
no matter how many scapulars and miraculous medals you wear around your neck on your deathbed.
no matter how many masses are said for you after death.
no matter how many priests give you last rites or perform extreme unction (aka anointing of the sick) on your behalf.
no matter if the Catholic Church declares you are a saint.

THE BOTTOM LINE IS THIS: Jesus didn't die a brutal death on the cross of Calvary so you could get to heaven by all those Catholic inventions listed above. He willingly sacrificed his life because YOU OWE GOD a debt that you cannot possibly repay no matter what you do! Sin can only be removed by the precious blood of the Lord Jesus Christ! — *RM Kane*

"And almost all things are by the law purged with blood; and without shedding of blood is no remission." Hebrews 9:22

"But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin." 1 John 1:7

"Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost;" Titus 3:5

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast." Ephesians 2:8-9

Notice there is no mention in the above Bible verses of any need to practice ANY catholic sacraments for salvation.
