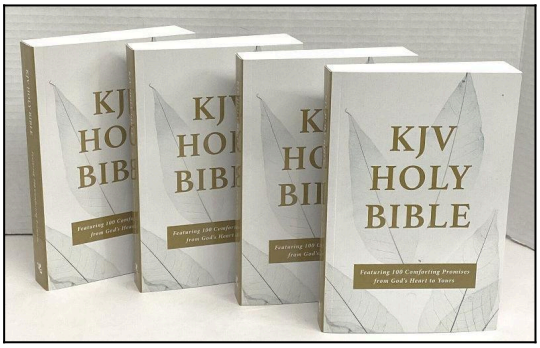
Free Printed Bibles And Bible Study Courses

Where To Find Them



ComingInTheClouds.org is an Internet-only Christian ministry which means we don't send out books or bibles. We may eventually send out printed gospel tracts but we currently are not doing that either. Currently, all of our materials are on-line (electronic format) that people can read on-line or can print on a computer printer if they have access to that.

However, having said that, we wish to point you in the right direction…
Here are some ministries that are equipped to distribute bibles around the world.
