

# How To Legally Decline A Vaccine

## How To Legally Decline A Vaccine

**STEP 1.)**  
**DO NOT 'refuse' a vaccine.** Otherwise you will be considered belligerent. Instead you can politely decline the service by doing the following:

**STEP 2.)**  
Ask the doctor, "**Does the vaccine have MRC-5 in it?**" (**THEY ALL DO**)  
These are aborted fetal cells and other DNA.  
If the vaccine contains MRC-5 you have the **RIGHT** to decline.

**STEP 3.)**  
Also ask, "**Is there a possibility of a "LATROGENIC REACTION?"**"  
(an adverse reaction caused by multiple compounds or drugs interacting with each other) from the vaccine (**THEY ALL DO**).  
- When the doctor says, "yes it does," that is your "Get Out Of Vaccine Free Card." **Thank the doctor for their offer and walk away.**

**Remember** doctors have sworn the Hippocratic Oath (Which is to do no harm) They must honour it.  
This is how we can **legally (and respectfully)** decline their offered mandated services and there is absolutely nothing they can do about it. Now you know!

**PLEASE SHARE WITH EVERYONE YOU CARE ABOUT!**
