

How To Legally Decline A Vaccine

How To Legally Decline A Vaccine

STEP 1.)
DO NOT 'refuse' a vaccine. Otherwise you will be considered belligerent. Instead you can politely decline the service by doing the following:

STEP 2.)
Ask the doctor, "**Does the vaccine have MRC-5 in it?**" (**THEY ALL DO**)
These are aborted fetal cells and other DNA.
If the vaccine contains MRC-5 you have the **RIGHT** to decline.

STEP 3.)
Also ask, "**Is there a possibility of a "LATROGENIC REACTION?"**"
(an adverse reaction caused by multiple compounds or drugs interacting with each other) from the vaccine (**THEY ALL DO**).
- When the doctor says, "yes it does," that is your "Get Out Of Vaccine Free Card." **Thank the doctor for their offer and walk away.**

Remember doctors have sworn the Hippocratic Oath (Which is to do no harm) They must honour it.
This is how we can **legally (and respectfully)** decline their offered mandated services and there is absolutely nothing they can do about it. Now you know!
