Bible Versions Analyzed

Information about various Bible versions and translation problems.

Introduction

Find out why so many people still use the King James Version of the Holy Bible. There are many serious problems with a large number of modern bible versions. The articles listed below will help you learn some things about the Bible you use and your pastor uses. Don't assume that modern translations are better or just consist of updated language. Many modern Bible translations are based on corrupt Greek manuscripts that vary in significant ways from the King James Bible. Some of the differences involve errors, changes and omissions that affect critical/essential Bible doctrines.

Books About Bible MANUSCRIPT Versions

Before looking at Bible translation versions, it can be helpful to look at the various Greek and Hebrew manuscripts that have been used by Bible translators.

Which Version Of The Bible Should You Use?

IN the beginning God created the heaven and the earth.
2 And the earth was without form, and void; and darkneſſe was upon the face of the deep; and the Spirit of God moved upon the face of the waters.
3 And God ſaid, Let there be light: and there was light.
4 And God ſaw the light, that it was good: and God divided † the light from the darkneſſe.
