## The Globalist Plan To Thin The Herd

The people who control our world are very evil people, more evil than the average person can even comprehend. A few of the more infamous globalist are known to the public, like Bill Gates, George Soros, the Rockefellers and the Rothchilds. But many are less well known, yet are very powerful and very wealthy and very influential. From their perspective, there are far too many people on earth for the amount of resources *that they wish to own and control*. They believe they are the most fit humans to rule the planet and to rule over YOU and to decide how many people should inhabit our planet and how many people need to be exterminated to maintain what they call a “sustainable” environment on earth... sustainable for them only. Any time you hear the term “sustainable” in conjunction with the environment, you can be sure that it is an intentional use, aimed at programming the public to accept control - by the elites - of resources that the rest of us use - and need - for our survival.

These wicked, rich and powerful people are heads of massive corporations, massive banking systems, massive media empires and are heads of global organizations that have enormous influence over nations and their citizens. These “elites” possess massive amounts of wealth (money, real estate, businesses) that they use to buy influence and bribe politicians and world leaders. These super-rich criminals have control over assassins in governments and assassins in secret societies. These people finance the election of public officials, including judges. They support only those whom they are able to blackmail and thereby control. But their greatest tool of control is their control of the media: news outlets (TV, radio, movie production, newspapers, Internet search engines and social media platforms). Another powerful tool of control is the public education systems of the world, both primary and secondary education. They have people who share their ideology in grade schools, high schools and colleges. And these people are at the highest places such as the U.S. Department Of Education, exerting THEIR influence for THEIR agendas over the impressionable minds of young people. These people did not just materialize overnight. Their families have been building their system of world control for generations.

These “global elites” as they are often referred to, are interested in massive population control (meaning reduction) and have made their goals public in various places including chiseled in granite at the Georgia Guidestones.

It appears from recent events (namely the Corona Virus pandemic) the powers that be will thin the herd by designing a vaccine and/or a virus, that will cause our immune systems to attack itself causing serious illness and death. We can already see throughout the U.S. and elsewhere in the world, that damage

from excessive vaccine use is causing all sorts of serious illnesses that the Big-Pharma medical establishment is pretending they don't know the cause of. These conditions include but are not limited to many of the serious ailments that are showing up quickly after certain people receive the COVID vaccine. The people who are primarily showing early symptoms of vaccine damage are the people you would expect to be vaccine damaged: people who typically get lots of vaccinations, namely:

**1. Medical workers**, who are often required to get shots to supposedly protect them and patients from contagious diseases.

**2. The elderly**, who in America, are given as many shots as possible (thanks to the government Medicare program that usually covers the cost of these kinds of treatments) for the seasonal flu, for pneumonia, for shingles, etc. based on the false claim that they are most likely to have serious symptoms from those particular diseases, that they are told the vaccines will protect them against, while in reality, their immune systems are being gradually destroyed, vaccine by vaccine. Some holistic veterinarians are admitting the existence of this vaccine-induced immune system phenomenon and are calling it "vaccinosis". However, there are virtually NO doctors admitting the dangers of repeated vaccinations in humans. They would lose their medical licenses and their jobs if they spoke up about one of Big Pharma's most lucrative money making schemes, a scheme that is tied to the elite's eugenics plans.

## **The Results Of Vaccine Damage**

Here are some of the early reactions from the COVID vaccine that correspond to the reactions you would expect from people with already vaccine-damaged immune systems:

- Blood and lymphatic system disorders
- Cardiac disorders
- Congenital, familial and genetic disorders
- Ear and labyrinth disorders
- Endocrine disorders
- Gastrointestinal disorders
- Hepatobiliary disorders
- Immune system disorders
- Infections and infestations
- Metabolism and nutrition disorders
- Musculoskeletal and connective tissue disorders
- Neoplasms benign (incl cysts and polyps)
- Nervous system disorders
- Pregnancy, puerperium and perinatal conditions
- Psychiatric disorders
- Renal and urinary disorders
- Reproductive system and breast disorders
- Respiratory, thoracic and mediastinal disorders
- Skin and subcutaneous tissue disorders

## Vascular disorders

Back in 2006, a group of young healthy men almost died in a medical experiment that was supposedly a drug trial. What it appears to have been is a test to see if the drug could kill people by turning their own immune systems against themselves (that story in the link below). Here it is 2020 and we find that at least in some cases of COVID-19, people's immune systems are turning against themselves. Which indicates that COVID-19 was very likely created in a lab with the intention of thinning the population by causing death through a virus-induced immune system attack on itself. This article mentioned how that happened with some COVID-19 patients: [CLICK HERE](#)
