

Sodom Reborn

Redefining Sin And Sexual Immorality Out Of Existence

Introduction

We are now living in a society that is more immoral than the two famously immoral cities that God destroyed by fire - Sodom & Gomorrah. Our society, partly due to the failure of the Church to preach against sin (within its walls and without), is now a society proud of its most gravest and perverse sexual sins. We now have college campuses throughout the U.S. and other nations that promote far more than the *supposed* "rights" of a person to commit sodomy with another person. We now have groups so FULL of sexual deviation that even their abbreviations and acronyms are too long to remember. Here is the latest immorality acronym:

LGBTTQQI2SA

And just what in the world does LGBTTQQI2SA stand for? Well, in case you were born in a day when public sexual sin was not so heavily promoted, LGBTTQQI2SA stands for the following list of sexually deviant lifestyle choices and activities:

lesbian

gay

bisexual

transgender

transsexual

queer

questioning

intersex

two-spirit-aseexual

So are you wondering just what sexual "preferences" have been left out? Well, whatever has been left out will soon be included. For now, even the grossly immoral folks in our society don't want us to see the entire list of things they approve of. But apparently, for now, they left out incest, bestiality and pedophilia just so that they don't alarm the "straight" segment of society which still greatly outnumbers them. However, the "straight" segment of

society is doing its best - and has been doing so for a long time - to compete with the non-straight segment in regards to sexual immorality, albeit it heterosexual immorality. Just check out all the women of child-bearing age on Facebook who post pictures of their pregnant bellies and of their out-of-wedlock children. Many of these women have tossed their "boyfriends" before they even delivered their babies. To be fair, many of them who prostituted themselves with "guys they were in love with" were left stranded by the guys they gave their virginity to, thinking that those whoremongers were the men of their dreams.

The Age Of Non Reason

Several decades ago, a very wise and moral man (Francis Schaefer) said that we were entering the age of "non-reason". He has since passed away but his words live on and as insightful as he was, he may have never expected the world to so quickly and so passionately drift far into the age of total non-reason. So today's popular view of morality goes something like this:

Let's all tell the abnormal that they're normal.

Let's all tell the sick that they are well.

Let's all tell the deviates that they are to be modeled and admired.

Let's all tell the profane that they're holy.

Let's all tell the perverse that they are to be emulated.

Let's all tell the immoral that they are moral.

Let's all tell the sinners that they're saints.

Lastly,

Let's be proud of what we should be ashamed of.

Pride Is Their Banner

The term "Gay Pride" is everywhere. Does anyone stop to think about what this brief quote means? It means: "We love our sin and we are proud of it.

And we expect you to APPROVE OF IT too, or else we will harrass and intimidate you." Time to start using a more appropriate term like "Sexual Shame".

Let The Degenerates Rule

Recently I saw a quote that someone must have thought was a smart or witty way of pushing their agenda:

"TOYS HAVE NO GENDER"

Analysis: People who have gender identity problems, be they caused by mental illness, emotional trauma, sexual abuse or what have you, have appointed themselves as guardians of this new "non-truth" system of ethics they've created to justify sinful deviant lifestyles. Therefore, these "protector's of the deviants" have decided that you and I have no right to

teach our sons to act like boys and our daughters to act like girls. Instead, we must bow to the deviants and accept as normal that which used to be considered abnormal and immoral by the average sane person of years gone by. That which was once considered normal and healthy is now considered biased, discriminatory, harmful and hateful... anything but good, wholesome, healthy, normal... anything but the truth. We, the unenlightened **morally sound** heterosexuals must submit to these ethically enlightened ones (morally bankrupt in actuality) if we are to fit into the new "normal" which is anything but normal.

Hitler Is One Of Their Role Models

As noted in an excellent but ignored book (by former congressman William Dannemeyer, the gay rights movement followed the example of Adolph Hitler, using "intimidation tactics" to harass and bully their way into various powerful organizations for change. Their first target was the APA (American Psychiatric Association) where they took control and then changed the medical diagnosis of homosexuality from a psychiatric disorder to just a sexual preference. Try to find any references to homosexuality as merely a sexual preference in any medical literature prior to 1970. I doubt you will find anything.

Summary

This "Sodom Reborn" on a global scale is clear evidence that the end of this world is near and the return of the Lord Jesus Christ is near. This gross immorality was prophesied a long time ago:

"This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God" [2 Timothy 3:1-4]

Similarly, the destruction of this wicked world was prophesied a long time ago, and its not going to be pretty:

"And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his mighty angels, In flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ: Who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power;" [2 Thessalonians 1:7-9]

We are all just one heart-beat away from eternity, in heaven or in hell. Now is the time to repent and turn to the Lord.

"Seek ye the Lord while he may be found, call ye upon him while he is near:"

[Isaiah 55:6]
