

Blasphemous Titles Of Rome's Imaginary Mary Goddess

The following list of aggrandizing titles bestowed upon the Catholic Mary confirms just how far the Church of Rome has gone to elevate their false version of Mary to goddess status. It appears as if they have exceeded the idolatry of ALL pagan goddess worshippers combined. As you can see from the list below, Rome has borrowed attributes from many pagan goddesses in the titles "Our Lady Of", "Mother Of" and "Virgin Of". The Catholic Church has also searched the Bible far and wide in order to misapply attributes to Mary that she never had or that belonged to some other biblical person, in an effort to create their deified version of Mary.

The true biblical Mary who gave birth to the Lord Jesus Christ – and who did not remain a virgin – would be shocked and revolted by the glorification of herself by Catholics, that so far overshadows the attention and glory given by Catholics to Jesus Christ, the Savior of the world.

WHY ARE THERE SO MANY CATHOLIC MARYS?

Virgin of Guadalupe, the Virgin of the Cave, the black Virgin, the Virgin of Mercy, etc. Are we to believe that one deceased Jewish woman has mutated into a thousand different Marys? NO. What we see is a repackaging of ancient goddesses of different cultures to fit into "The Cult Of Mary".
