

The True Church Versus The False Church Of Catholicism

"Sanctify them through thy truth: thy word is truth." John 17:17

The TRUE Church of **biblical** Christianity is to obey, preserve, defend and protect the truth (the word of God), the Church doesn't arbitrate it! The Bible determines what is true and acceptable, the Church must submit to and be sanctified by this truth. God would never give men the responsibility of setting the standard of truth because only God is Truth, so we get the truth from Him. The true Church (body of Christ made up of Born Again Bible studying and obeying Christian successors of the Disciples of Jesus) obeys God's truth and honours it, the true Church does NOT:

- Come up with pagan offices,
- Ungodly rules of religious burdens,
- Promote homosexuality,
- Discourage evangelism,
- Abuse children,
- Write countless Biblically antithetical literature to validate heresy and sin,
- Illegitimately forgive sins through a mortal man,
- Baptise innocent babies,
- Believe in original sin (babies are born sinless),
- Teach OSAS through confessionals and the mafia,
- Create a false spiritual destination for the dead,
- Worship the former family members of Lord Jesus,
- Keep Lord Jesus on the cross/as a baby on Mary's lap,
- Disobey God's commandments such as Exodus 20:4-5,
- Practise witchcraft,
- Practise cannibalism and accuse Lord Jesus of teaching it,
- Call sinners in leadership roles "father",
- Subvert the Holy Bible and attack it for exposing lies.

The TRUE Church fears and obeys the Lord Jesus and keeps His commandments as found only in Scripture!— *H. S. Murphy*

cometh unto the Father, but by me." John 14:6
