What Things Christian Churches Get Wrong In Our Day And Have Major Disagreements About

While there certainly is a lot of biblical leeway regarding what local churches can do during their weekly meetings, there are also some important biblical patterns described in the New Testament. Using those patterns as a guide, we can see that the local churches of our day and age ***seem to have gone astray from those patterns***. Here are five major areas of concern in that regard:

1. The Gospel (the true Biblical plan of salvation)
2. Ecclesiology (church purpose, meeting format & structure, leadership)
3.
