Abortion – Calling Murder A Woman's Choice

Since when, in a civilized society, can sane people call murder "freedom of choice"? When a government sanctions this act of murder and even affords protections to citizens that commit this horrible act, that government is evil, plain and simple. And anyone else who calls abortion "a woman's right to choose", have had their minds blinded and thier consciences so desensitized by evil that its outright scary. They have hearts of stone that only a supernatural act of God can soften. Their words reveal a wicked murderous heart that will lie even to themselves, in an attempt to literally get away with murder. Their unbelievable selfishness allows them to condone and sometimes even advocate the killing of a tiny defenseless human life within the sanctity of its mother's womb.

Many women, abandoned by the men who impregnated them, and sometimes abandoned by their own families, often end up panicing and in their panic, choose to believe the lies that abortion does not take the life of an unborn child. There are a lot of people who have a lot of blood on their hands from this wicked act of human sacrifice… the so-called doctors, nurses, receptionists and other abortion mill workers… the fathers, brothers, boyfriends, husbands, mothers, sisters, girlfriends, and anyone else who remains silent or who encourages a woman to kill her baby. Nothing is hidden from the Almighty. What is done in secret is laid bare before Him. All that blood from all those slaughtered infants cries out to God for vengeance. And God boldly declares "Vegeance is mine…. I WILL repay" [Romans 12:19]

The whole abortion industry exists because the people of a wicked nation want to fornicate with impunity. They want to use each other's bodies without regard to the consequences and without regard to the commands of God to confine sexual activity to the marriage bed of a man and a woman. Please note: God does offer forgiveness but only in this lifetime, before we leave this world. That forgiveness is found in the Lord Jesus Christ who laid down his sinless life for sinners like you and me. So I urge you to seek the Lord while He may be found. He is found in the pages of the Holy Bible and some pregnancy counseling centers like Care-net.org can help with this healing process. — *RM Kane*
