Abortion – Telling It Like It Is

What kind of brute beasts have we become in this society where we applaud judges who enact laws designed to persecute those whose only crime is that they wish to make it perfectly clear they believe that abortion is murder? Instead of applauding the "supreme" court ruling on the use of the RICO act (a racketeering and organized crime law) against abortion clinic protestors, isn't it time to admit the truth, that life begins at conception and a mother's womb was meant to be a safe and secure place for an unborn child to grow? Would you likewise applaud Hitler's "Final Solution" to the "Jewish problem"? After all, wasn't he just advocating a similar type of population control and didn't he first redefine what a human being was, just like the abortionists do? There's no difference. The abortion INDUSTRY attempts to legitimize its murderous business using the same dehumanizing terminology as the Nazis.*

The Nazis used carefully crafted words to dehumanize their victims. Jews, Gypsies, Slavs and others were referred to as "subhuman", "vermin", or a "mass". In the same manner, pro-abortionists dehumanize their victims. They refer to the unborn baby as a "mass or blob of tissue", a "product of conception" a "primordial mass", a "clump of cells", a "fetal placental unit".

The Nazis used "nice-sounding", deceptive words to cover up their murders. Jews were "evacuated" or "resettled". The "final solution" meant killing all Jews. A "mercy death" for "incurables" (Hitler's euthanasia order) simply meant killing the handicapped, the mentally retarded, epileptics, those with MS, Parkinson's disease, infantile paralysis, and various other "non-producers" including the elderly. With the same evil, cold-hearted indifference, the pro-abortionist refers to killing a baby as "terminating a pregnancy", "post-conceptual planning", "exercising a woman's right to choose", "pro-choice", "extracting a blob of tissue", or "removing a clump of cells".

"Woe unto them that call evil good, and good evil; that put

darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!" [Isaiah 5:20]

God's judgment on America (and other nations) is coming very soon. While we have become experts at attempting to hide our sin, God sees everything, even those things done in secret. If we were to be **honest** with the facts, we would have to admit that America is more wicked than Adolf Hitler and all his Nazis combined. US statistics of genocide-by-abortion dwarf the genocide statistics of the Nazis. Admittedly, the Nazis brutally murdered around 6 million Jews and many others. However, Americans have brutally murdered more than **63 million** unborn babies in their mother's wombs (as of 2022) using all sorts of hideous methods… cutting tools for dismembering body parts, saline solutions for burning fetuses to death, high-powered vacuum machines for evacuating the womb, drugs for inducing hemorrhaging and violent miscarriages. That's a lot of blood to have on our hands.

We willingly seek out killers to terminate the lives of our own children simply because we don't want to maturely and humanely deal with the children we procreate. For the sake of our own comfort and convenience we commit murder and then have the audacity to call it "a woman's choice". God have mercy on us.

We have become more afraid of our responsibility to the unborn than we are of meeting God someday, when He will ask us why didn't anyone tell Him that the laws against abortion were changed in 1973.

There is still time to avoid judgment. If we diligently seek God, **the real God**, the God of the Bible, and truly repent, there is hope…

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." [2 Chronicles 7:14]

* God looks at everyone as evil, corrupt sinners in dire need of salvation and deserving of eternal punishment. God is holy and God looks at the heart. If you even have hated someone – anyone – God considers you a murderer at heart.
