

God Only Created Two Genders

“So God created man in his own image, in the image of God created he him; male and female created he them.” Genesis 1:27

According to our Creator there are only 2 genders. I think I will stick with HIS opinion rather than the opinions of mentally ill people who think you can change your gender like you change your clothes.

Some very confused people in our modern day world think there is an unlimited number of genders. Where did this idea come from? It is only a very RECENT idea. And it is only an IDEA, not a fact. Facts prove that there are only two true genders and those facts are based upon real science, the science of genetics and the fact that a human being has either XY sex chromosomes (if they are of the MALE gender) or XX sex chromosomes (if they are of the FEMALE gender). To say that there are more than 2 genders is to call God a liar. It is also a sign of rebellion against God and possibly a sign of mental illness.
