

Did You Meet The Master?

Did you meet the Master?

Did you see His face?

Did you talk with Him,

Ask Him for His grace?

Did you meet the Master

At the break of day,

Before your mind was clouded

With your work or play?

Did you thank the Master

For the air you breathe,

For every creature comfort

You at His hand receive?

Did you meet the Master

Tell Him all your heart?

Tell Him all your burdens,

Ask Him to bear a part?

Did you meet the Master

Throughout all the day?

When you asked for comfort,

Did He tell you "Nay?"

Yes, I met the Master

In the secret place.

Oh! the blessed comfort

When He giveth grace.
