

# **An Atheist's View On Life**

I will live my life according to these beliefs  
God does not exist  
It is just foolish to think  
That there is a God with a cosmic plan  
That an all-powerful God brings purpose to the pain and suffering in the world  
It's a comforting thought however  
Is only wishful thinking  
People can do as they please without eternal consequences  
The idea that  
I am deserving of Hell  
Because of sin  
Is a lie meant to make me a slave to those in power  
The more you have the happier you will be  
Our existence has no grand meaning or purpose  
In a world with no God  
There is freedom to be who I want to be  
But with God  
Everything is fine  
It is ridiculous to think  
I am lost and in need of saving

# **Versus A Christian's View On Life**

(The above list read from bottom to top)
