

THE LORD - MY ALL

Lord, You Are what I am not but what I hope be by Your
Grace by Your Spirit by Your Word.

Lord, You show me a thousand times a day in a thousand
different ways that this world is not my home, and I'm just
passing through.

Lord, Some days I feel so close to you Other days so far
away... Lord, why is it so hard to be consistent from one
day to the next... why is my flesh so weak?

Lord, I thank You for Peter, a man I can relate to, a man
who was full of himself confident in himself and when his
self failed him he came to the end of himself and came to
You.

Lord, a war rages inside me that I'm not sure I know how to
fight... what I do know is that by myself it's a war I
cannot win without You.
