

THE MYSTERY OF GOD

If we could figure God out... He wouldn't be God! If we could understand God... We would BE God! And that ain't gonna happen, Any time soon, So, might just as well say, Never ever And leave it at that...

Like it says in His Good Book, !!! - HE - ALONE - IS - GOD - !!! There were no gods before God There will be no gods after God, There is no god but God! THE LIVING GOD!!!

We can trust the Lord IMPLICITLY! We can LITERALLY! Take the Lord At His Word! How do I know? It's a simple progression: The Lord SPOKE the universe into existence!!! The Lord's Word brought EVERYTHING THERE IS INTO BEING!!! So... If the Word of the Lord Was not trustworthy Not ... Dependable Incorruptable Imperishable Indestructible Everlasting Perpetual Unfading Undiminished Enduring Infallible Impeccable Certain Sure Steadfast Unchanging from moment to moment, The universe would have fallen Into chaos and non-existence Quite some time ago...

If the Lord promises something, YOU CAN HOLD HIM TO IT!!! In fact... HE WANTS YOU TO HOLD HIM TO IT!!! HE CHALLENGES ME, YOU EVERYBODY! TO TEST HIM!!!

Lord God Adonai, Elohim, YHWH, Yod He Waw He, I AM WHO I AM, The God of Abraham Isaac Jacob, The Holy One of Israel.

The Names of God, The God-Head, The TRI-UNITY, God the Father, God the Son, God the Holy Spirit.

My Abba Father!!! My Personal Savior the Lord Jesus Christ!!! My Holy Spirit indwells me, guides me, teaches me, illuminates me.

Lord I love You. Lord I love You. Lord I love You More than words can ever say, More and more With each passing day. Lord I'm lost without You. Guide me in Your Way.

Oh, Lord make me, Yes, Lord -- break me! Lord, break me and remake me According to Your Perfect Will!

There is nothing that can satisfy My inner desires... Nothing to slake my profound thirst! I denied Your Truth Most of the years of my life... And yet... You kept after me, You kept after me, You kept after me!!!

I cursed You I defied You I shook my fist at You I dared

You to strike me dead I used Your Holy Name as an expletive
And even worse, Encouraged others To do the same...

I gave up on You So many times Times without number... You
Never Gave Up On Me ??? !!! !!! !!!

Lord, You will FOREVER Be a Mystery To me... A Mystery I
believe, A Mystery I love, A Mystery I will love For
Ever...

A Mystery... That... .. !!!!!!!!!!!!!!!!!!!!!!!
!!!!!! Loves !!!!! !!!!!!!!!!!!!!!!!!!!!!! ??? !!! ??? ...
!!! !!!ME!!! !!! ...
