GOSPEL TRACTS

Salvation messages explaining who God is, who mankind is in relationship to God, why people need a Savior, and why the only Savior acceptable to God is Jesus Christ.

We have various articles below that discuss mankind's need of salvation, a salvation that only God can provide, a salvation that sinners cannot contribute towards in any way due to how holy God is and how sinful we are. Each article discusses the subject of salvation from a slightly different perspective, touching upon things like what it means to be spiritually lost, why Jesus is the only acceptable Savior for mankind, why the performance of religious rituals cannot contribute to a person's salvation and why our own efforts to get to heaven by our good deeds is not acceptable to God.

"When preaching and private talk are not available, you need to have a tract ready... Get good striking tracts, or none at all. But a touching gospel tract may be the seed of eternal life. Therefore, do not go out without your tracts." – *Charles Spurgeon*
