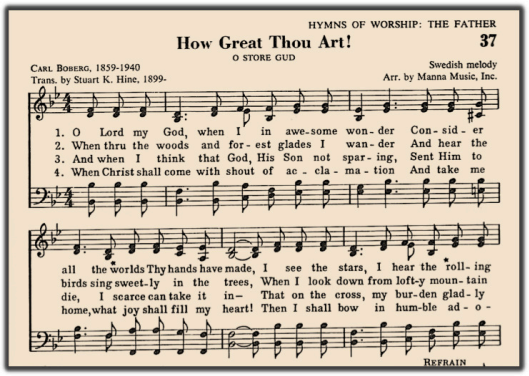
Inspirational Hymns

Hymns that lift up the name of Jesus and that proclaim the glory of God.



What about contemporary Christian music?

Some is good and some is not. If it is espousing bad doctrine or no doctrine it is bad. If it is designed to cater to the lost and the flesh rather than to glorify God and edify the body of Christ it is also bad. Based on such criteria, much of what is in the Christian books stores is bad.

Believers should never modify their preaching or their music to attract the world. God tells us that there should always be a clear distinction between the holy and the profane.

“And even things without life giving sound, whether pipe or harp, except they give a distinction in the sounds, how shall it be known what is piped or harped?” [1 Corinthians 14:7]

“And they shall teach my people the difference between the holy and profane, and cause them to discern between the unclean and the clean.” [Ezekiel 44:23]

Several (though not many) Christian songwriters put scripture to music. This allows the singer and the listener to memorize the word of God, an activity that both glorifies God and edifies the body of Christ.

Recommended Christian Music: Gospel For Hostiles on YouTube

Gospel for Hostiles is an amateur singing duo whose lyrics are meant to spread the Gospel. We are all sinners and "hostile" to God unless and until we become saved through God's amazing and wonderful grace. As individuals, we show our love of the Gospel in many different ways. The *Gospel For Hostiles* singers do it though their songs. May you be blessed as you enjoy their inspirational and very biblical music.
