God shall send them a strong delusion...

"And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them STRONG DELUSION, THAT THEY SHOULD BELIEVE A LIE: That they all might be damned who believed not the truth, but had pleasure in unrighteousness." 2 Thessalonians 2:8-12

COVID-19 Vaccine Death & Injury Statistics

Does 38,607 deaths and a total of 1,663,354 vaccine injury cases sound safe?

Never before in the history of vaccines has such a huge number of such serious adverse vaccine effects been allowed to be inflicted on people who trust their health and well-being to the global medical system. In the past just a few vaccine-related deaths or serious side-effects would have been enough reason to immediately stop the use of a vaccine.

Virologist And Immunologist Shares Info About Extremely Effective, Readily Available COVID-19 Treatments AND Vaccine Concerns

This video below is a presentation by an MD who is an expert in immunology and virology, and who gave a talk at the invitation of the Lieutenant governor's office in Idaho. It is more a summary of what has been going on with the covid virus the past year or so and alternative covid treatments to a vaccine. He knows his stuff and is not some fringe guy. He mentions primarily the extreme importance and helfulness of vitamin D3 as well as something even perhaps more helpful that I never knew about before – an anti-parasitic medicine (Ivermectin) that is a super cure for COVID-19 and other viruses (to PREVENT as well as TREAT) and is available at Tractor Supply because it is used to treat parasites in animals on a very regular basis and it is very safe – though you do NOT want to buy the doses or forms of Ivermectin used for animals. You should get the pill form from your doctor.

Here is that doctor's video presentation:

The COVID-19 Treatment That Is PREVENTING and Curing The Virus Without The Vaccine – Ivermectin

Dr. Sherri Tenpenny gives VERY important information on potentially lethal long term side effects of COVID-19 vaccine (VIDEO)

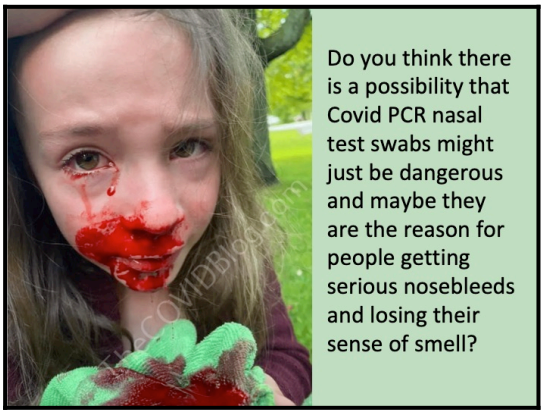

Dangerous ***hyper-immune response*** in test **animals** for previous attempts at coronavirus mRNA vaccines, like the vaccines for SARS and MERS, has been a persistent problem. All was well for awhile, until the animals were exposed to the wild mutated virus. Dr. Tenpenny and other scientists have forecast that millions may die from this same type of mRNA vaccine, and it will be blamed on a new strain of COVID, making an argument for even more deadly vaccines, to supposedly "counter" the new virus when it reality, the problem will be your vaccine-damaged immune system, which will be attacking your body because of immune system malfunctions caused by the COVID-19 vaccine.

The *Virology Journal* – the official publication of Dr. Fauci's National Institutes of Health – published what is now a blockbuster article on August 22, 2005, under the heading – get ready for this – **"Chloroquine is a potent inhibitor of SARS coronavirus infection and spread."** (Emphasis mine throughout.) Write the researchers, "We report...that chloroquine has strong antiviral effects on SARS-CoV infection of primate cells. These inhibitory effects are observed when the cells are treated with the drug **either before or after exposure to the virus, suggesting both prophylactic and therapeutic advantage**."

This means, of course, that Dr. Fauci has known for 15 years that chloroquine and its even milder derivative hydroxychloroquine (HCQ) will not only treat a current case of coronavirus ("therapeutic") but prevent future cases ("prophylactic"). So **HCQ functions as both a cure and a vaccine.** In other words, it's a wonder drug for coronavirus. Said Dr. Fauci's NIH in 2005, "concentrations of 10 μM **completely abolished** SARS-CoV infection." Fauci's researchers add, "chloroquine can effectively **reduce the establishment of infection and spread** of SARS-CoV."

14. If you continue to violate "rights" 1 through 12, you will be granted the right to be arrested, jailed, sent to a re-education camp and terminated.

And guess what they're resetting?

YOUR RIGHTS MY FRIEND!

…And they are resetting the global population down to what they consider to be a "sustainable" level.
