

The CDC Makes Money On Vaccines

Talk about the foxes guarding the hen house!

Is it any wonder that global regulatory agencies like the CDC push vaccines on people and governments world wide? They make money on vaccines no matter how useless or how dangerous vaccines may be. They and the Pharmaceutical giants they are in bed with have immunity from liability for damages - due to poorly tested vaccines - by creating regulations like "Emergency Use Only" that grant them such immunity. Here are some articles that discuss the CDC's link to Big Pharma:
