Reformed Ministries & Calvinism Resources

Here are some very helpful and very biblical resources for those Christians who have come to understand and appreciate the Bible “doctrines of grace” that men and women of the Protestant Reformation lived and died for. If you wish to find out why so many great Bible teachers, preachers and scholars of the past (and many of our day) believed that Calvinism is a very accurate summation of the Gospel, then you are urged to check out these resources also. May the Good Lord richly bless you as you seek to rightly divide the word of truth, test the Spirits and prove all things! Don’t let anyone deceive you. Be like the Bereans of Acts chapter 17:11 and search the Scriptures for yourself. Many preachers nowadays have had a very poor Biblical education in Bible colleges that neglected to teach vital aspects of Church history, especially regarding the Reformers and the Puritans. They also have done a sorry job of teaching on the attributes of God, especially God’s sovereignty, and especially His sovereignty in salvation.

What is meant by "reformed"?

Reformed refers to the branch of Christianity that seeks to closely follow the great teachers and preachers of the Protestant Reformation – that group of godly men and women who sought to correct many gross errors in theology and practice in the Catholic church. Many were severely persecuted and put to death for the sake of God's word and God's true Church. Reformed Christians are those who believe and teach the bible-based "Doctrines of Grace" (also known as Calvinism), as apposed to Christians who believe and teach apposing (and unbiblical) views of salvation: Arminianism and Free-Willism for example.
