Reader, do you have any idea how holy God is and how sinless and pure life in heaven will be? Do you realize how unfit you are to fellowship with a God who hates sin? And so that is why hell awaits you and all who die in their sins. It is a place of eternal punishment for those who broke God's laws and never repented and never became "born again" by the Spirit of God. Has God converted YOU? Do you now live your life with this goal in mind: *"Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God." [1 Corinthians 10:31].* If not, then God says you are only fit to be cast into hell. You will find no peace or pleasure in the presence of a holy and righteous God.
