The Protestant Reformation And The Reformers

Here are a number of resources on the Protestant Reformation that we have consolidated and categorized for easy access. Learn all about the many brave Christians who risked their lives for biblical truth when confronted with very evil, controlling Catholic popes and the civil authorities that they had control over. Many of these brave Christian reformers simply wanted to see an end to corruption in the Catholic Church and desired to have biblical truth take precedence over Catholicism's many unbiblical man-made traditions.
